

2020 - 2021 Annual Report

La Fondation
de l'Hôpital de
LAMEOUE Inc.

Once again this year

the Foundation set itself apart with its reach and commitment to Lamèque Hospital and CHC. We are so appreciative of the commitment of a community that continues to support our foundation despite the pandemic-related challenges. We firmly believe that our health care has never been so important.

Among the many achievements of the past year, it was possible to invest \$ 56 740 to support the following sectors:

• \$43 027
patient care,
diagnostic, treatment
and follow-up services
(76 %);

• \$13 163
specialized regional
services and cancer-
related services
(23 %);

• \$550
development
and training
(1 %).

The success of our campaigns is the result of the huge generosity of the community and the commitment of the volunteers who participate in organizing activities such as the Roses Radiothon and the Northern Star.

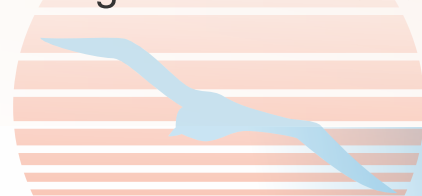

Mission accomplished.
Thank you so very much!

However, our work is never finished.

The challenges are great, and the needs are even greater. This is what motivates us all to continue our efforts. Moreover, the Family Medicine Unit (FMU) expansion project that is on the horizon will be the target of the largest campaign in our foundation's history.

We are also taking time right now to reassess our priorities and strengthen our fundraising strategies.

In this respect, the Foundation is working on the implementation of a solid strategic plan that will guide it until 2026.

In closing, on behalf of the members of the board of directors, *thank you for your generosity*, which allows our facility to continue providing exemplary person-centred care within an ever-engaged community.

Norma Aubut

Chair of the Board of Directors
